Making a claim

Call us on 0345 040 5975 or email us at claims@acastaeurope.co.uk.

Although it's not essential, try to call **us** before accepting any offer from **your car insurance** company. **We** can provide guidance on the value of **your** car to ensure **you** receive a fair payout from **your** car insurer.

We'll start working on your case as quickly as possible. **We'll** ask **you** for some information about **your** claim.

This includes:

- a copy of **your car insurance** schedule;
- **your** car insurer's written confirmation that **your car insurance payout** has been paid and the terms on which the settlement was made;
- the original invoice relating to **your** car;
- a copy of **your** finance agreement, written confirmation from **your finance company** of the **early settlement amount** and the terms on which it has been calculated; and
- a valid crime reference in the case of malicious damage or theft.

To make sure **your** claim is valid, we might ask for additional information. Don't worry, **we'll** only ask for what is absolutely necessary and **we** will always be fair in **our** requests. If **you** don't provide **us** with the information **we** need, **we** may not be able to process **your** claim.

What you're covered for

The primary benefit of this **policy** is **your** shortfall cover. **We** recognise that other events can happen during **your insurance period** that can cause difficulties. This product in addition to your shortfall cover provides additional benefits to reduce your financial liability during the period of cover. **We** will also provide the cover shown below **your** car is **written off** (declared a **total loss**) whilst being used in Europe (but outside of the United Kingdom), provided that **your car insurance** company has issued **you** with a green card confirming that **you** benefit from the same level of cover in Europe as **you** do in the United Kingdom.

Here's how it works:

This **policy** offers 4 separate types of cover that form the entire cover provided to **you** under this **policy**. **We** have detailed the benefits below:

- Shortfall Cover
- Temporary Replacement Vehicle Cover
- Non-Fault Incident Cover
- Excess Cover

Shortfall Cover:

If your car is written off (declared a total loss) during your insurance period, we'll cover the gap between what your car insurance pays and the original purchase price (invoice price).

- **We'll** pay **you** the difference between **your car insurance payout** and the invoice price, up to **our maximum limit**.
- OR if the amount **you** owe to settle **your** car finance early is higher, **we'll** cover that instead, (up to **our maximum limit**).
- The minimum amount **we** will pay is £400, regardless of the gap.

Contribution towards hire car costs:

Following **your** vehicle being **written off** (declared a **total loss**) during **your insurance period**, we will pay you a cash benefit of £20 per day for up to 7 days if **your car insurer** has not provided you with a rental vehicle while **your** Shortfall Cover claim is still open.

Non-Fault Incident Cover:

We will pay **you** a fixed benefit of £150 once during **your insurance period** if **you** are involved in a non-fault accident that does not result in **your** car being declared a **total loss**.

- Non-fault claims are incidents where **your car insurer** has been able to recover the costs from a third-party insurer. These typically include accidents caused by another driver who has admitted liability.
- If **you** make a claim under the Non-Fault Incident Cover **you** will still be able to claim under the Shortall Cover, 7-Day Hire Car and the Excess Cover.

Contribution towards your excess:

We'll contribute up to £500 towards any excess (or deductible) charged by **your car insurance** company as a result of **your** car being written off (declared a **total loss**).

- Even if **you** receive the minimum amount of £400, **we** will still contribute towards any excess (or deductible) charged by **your car insurance** company as a result of **your** car being **written off**.

We'll pay **you** directly for the covered amounts shown above.

What's not covered

- × Any loss exceeding the **maximum limit** (stated in the **policy schedule**).
- × The salvage value of **your** car if **you** get to keep it.
- × The amount of any reduction in **your car insurance** payout due to **your** own or any driver's

fault, **your** or any driver's failure to comply with any of **your car insurance** policy terms and conditions, or due to the car's condition.

- × The amount of any unpaid premiums on **your car insurance** policy.
- × Any VAT charges if **you're** a VAT-registered business.
- × Loss of use of **your** car or any other indirect consequences of the **total loss**.
- × If **your car insurance** claim is denied for any reason or if the **car insurance** policy is declared void and you don't get a payout.
- × Costs associated with a new car, like delivery fees, fuel, registration, taxes, plates or warranties.
- × Any loss caused by or related to:
 - problems with **computers** or **networks** (e.g. hacking, viruses);
 - inability to use **your computer, network**, or data;
 - unauthorised access to, processing, or storage of **your** data;
 - your inability to access or use **your** data;
 - threats or hoaxes related to the above points; or
 - accidents or mistakes involving computers, networks, or data.

Your responsibilities

This section outlines the conditions that apply to this **policy**. It's essential that **you** follow these conditions. If **you** don't, **we** may be forced to take certain actions, including:

- Cancelling **your policy**
- Denying or withdrawing from any claim **you** make
- Reducing the amount **we** pay for a claim
- Recovering any costs **we** have paid

By carefully reviewing these conditions, **you'll** gain a clear understanding of **your** responsibilities:

- ③ **Valid Car Insurance:** **You** must have valid car insurance for **your** car at the time of the **total loss**.
- ③ **Preventing Loss:** It's **your** responsibility to take reasonable precautions to prevent accidents, theft, or damage to **your** car.

- ④ **Change of Circumstances:** If something happens that's different from the information **you** gave **us** when **you** first got this **policy**, **you** must let **us** know.
- ④ **Policy Transfer:** **You** can't transfer **your** rights or benefits under this **policy** to someone else without **our** written permission. **We** are under obligation to give **our** permission.
- ④ **Premium Payment:** **You** must pay the premium on time and in full. If **we** can't collect **your** payment by the due date, **we'll** send **you** a notice to give you a chance to make the payment. However, **we** reserve the right to cancel **your policy** if the payment isn't received after the deadline in **our** notice. If **you** have already made a claim before the cancellation, **you** will still be responsible for the remaining premium for that year.
- ④ **Honesty:** **You** must be honest with **us** at all times. **You** must not make false or exaggerated claims.
- ④ **Respect:** **You** must not use threatening or abusive behaviour or language towards **us**, Stubben Edge (Risk) Limited or our employees.

Please remember:

If **you** (or someone acting on **your** behalf) is dishonest or tries to make a false or exaggerated claim, **we** may take serious actions, including:

- Terminating **your policy**
- Denying **your** claim and any future claims
- Keeping any premiums **you've** paid
- Cancelling other insurance products **you** have with **us**
- Sharing information about **your** actions with other organisations to prevent fraud
- Reporting fraud to the authorities

Subrogation

If **we** make a payment under this **policy**, **we** may assume any rights **you** have to recover related amounts from any third party, including but not limited to any other insurers. **You** agree to assist us and provide all necessary documents and information, as well as refrain from any action that might impair **our** ability to exercise these rights.

If it is determined that **your car insurance** company underpaid the settlement for **your total loss**, or if they provide any additional payment as compensation (redress) for an underpayment or other issues, **you** must inform **us** immediately. We reserve the right to recover from **you** the difference between what was initially paid by **your car insurance** and the corrected or compensatory amount, up to the amount **we** paid under this **policy**. This includes any compensation or redress **you** receive from **your car insurance** company or any other party.

By accepting payment under this **policy**, **you** agree that **we** may take over any rights **you** have against **your car insurance** company or any third party regarding the settlement of **your total loss** claim. **We** may pursue this recovery in our **own** name. Any recovered amounts will first cover **our** expenses and the amount **we** paid under this **policy**, with any excess returned to **you**.

You must notify **us** within 30 days if **you** receive any additional payment or compensation from **your car insurance** company or another party related to the **total loss claim**. If **you** fail to notify **us**, **you** may be required to repay any amounts that exceed the correct settlement.

Changing your car

This section explains how **you** can move **your** insurance coverage to a new car:

Replacement vehicle from your car insurer

If **your car insurance** provides a replacement car after a **total loss** (check **your** policy details), **you** can transfer your GAP coverage to the replacement car for free. **You** must let **us** know as soon as possible if this happens. **We** will only cover the GAP on the replacement car if the replacement car is of a similar make, model and value to the car that suffered the **total loss**. **We** will not cover the GAP on any replacement car where such replacement is not of a similar make, model and value.

Selling your car

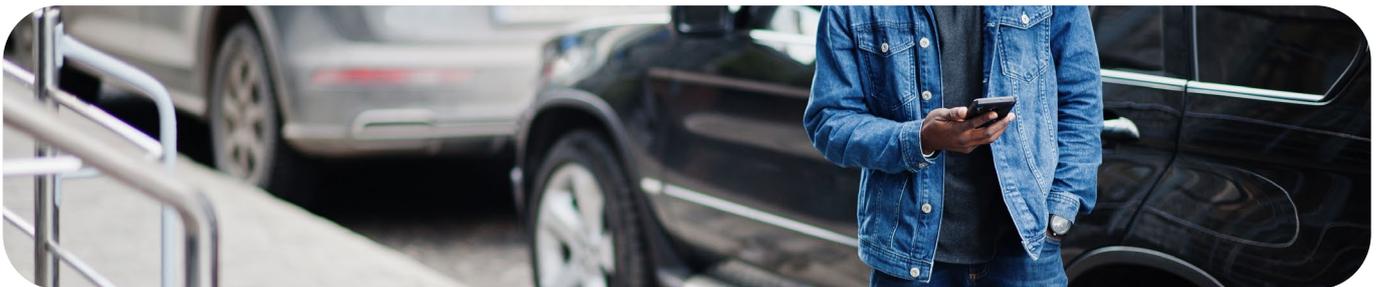

If **you** sell **your** current car, **you** can potentially transfer **your** remaining coverage to a new eligible vehicle, but **you'll** need **our** written approval first. **We** are under obligation to give **our** approval. If **we** do give our approval, **we** may apply different **policy** terms and / or charge an additional premium.

Fees and Conditions

Where **we** agree to transfer cover under this **policy**, the following fees and conditions apply:

- ③ **First Transfer:** The first transfer is free.
- ③ **Additional Transfers:** Any transfers after the first one will incur a Transfer Fee (check the schedule for details).
- ③ **Eligibility** The new car must meet **our** insurance requirements for coverage to transfer. If it doesn't, the transfer will be rejected, and any fee **you** paid will be refunded. In this case, you have the right to cancel **your** remaining coverage.

- ④ **Eligibility:** The new car must meet **our** insurance requirements for coverage to transfer. If it doesn't, the transfer will be rejected, and any fee **you** paid will be refunded. In this case, you have the right to cancel **your** remaining coverage.
- ④ **Timing:** All transfer requests must be made within 30 days of selling **your** old car.
- ④ **Claims:** **You** can't transfer coverage if **you've** already made a claim or had an incident that might lead to a claim. This doesn't apply to any replacement car provided by **your car insurance** after a **total loss**.

Cancelling your policy

If this **policy** doesn't fit **your** needs, you can cancel it by contacting Stubben Edge (Risk) Limited.

Cancellation within 30 days:

If **you** cancel within 30 days of the **policy start date** or receiving your **policy** documents (whichever is later), **you'll** get a full refund of **your** premium, as long as **you** haven't made any claims during that time.

Cancellation after 30 days:

If **you** cancel after 30 days, **you'll** get a partial refund based on the remaining time on **your policy**. Again, this is only if you haven't made any claims during the time **you** had the **policy**.

Important Legal Information

This section covers some legal matters related to **your policy**:

- ③ **Other GAP insurance policies:** **We** won't pay **you** more than the actual value of **your** loss (unless the value of **your** loss is below our minimum payment of £400), even if **you** have other GAP insurance policies covering the same thing. In some cases, **we** may work with **your** other GAP insurers to share the cost of **your** claim fairly. This means each company would contribute a portion based on the percentage of coverage they provide.
- ③ **Your insurable interest:** **We** won't pay for claims relating to a car **you** don't have a rightful ownership stake in ('insurable interest') at the time of the loss. If there's more than one owner of the car, **we'll** only pay out an amount that reflects your share of ownership.

- ④ **Taking action in your name:** If necessary, **we** may (at our **own** expense) take legal action on **your** behalf to recover money or protect **your** rights under this **policy**.
- ④ **Rights of third parties:** This policy doesn't grant any rights to people who aren't directly involved (third parties) under the Contract (Rights of Third Parties) Act 1999.
- ④ **Entire agreement:** This policy booklet, the **schedule**, and any written **endorsements** constitute the complete agreement between **you** and **us**.
- ④ **Sanctions and restrictions:** The provision of any cover, the payment of any claim or the provision of any benefit under this **policy** will be suspended to the extent that the provision of such cover, payment of such claim or provision of such benefit by **us** would expose **us** to any sanction, prohibition or restriction under any United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, the United Kingdom, or the United States of America. This suspension will continue until such time as **we** would no longer be exposed to such sanction, prohibition or restriction.
- ④ **Laws and disputes (governing law and jurisdiction):** English and Welsh laws apply to this **policy**, and any legal disputes will be settled in the courts of England.
